Linux Professional Institute Testing policies

Terms and Conditions

Important: Please go to the [Pearson VUE COVID-19 Update](#) web page the day before your exam to review the latest face mask policy and other health and safety measures required at your test center.

By scheduling your test appointment, you agree to comply with these requirements. You will be asked to acknowledge these conditions and requirements upon arrival at the test center.

Admission Policy

Please arrive at the test center 15 minutes before your scheduled appointment. This will allow you enough time to complete the check-in procedures before beginning your exam. You will be required to show two (2) valid forms of personal identification. Both forms must contain your signature, must be current (not expired), and at least one form must contain your photo. If you arrive more than 15 minutes after your appointment time and are refused admission, the exam and delivery fees are not refundable.

You will not be allowed to take any personal items with you into the testing room. This includes all bags, books not authorized by the testing program, notes, cell phones, pagers, watches and wallets.

Reschedule Policy

To reschedule your exam appointment and receive a full refund, you must notify Pearson VUE at least one business day before your appointment. Please contact customer service if you have questions about this policy.

Cancellation Policy

To cancel your exam appointment and receive a full refund, you must notify Pearson VUE at least one business day before your appointment. Otherwise, your exam fee is not refundable. Your exam fee is also not refundable if you do not arrive at the test center for your scheduled appointment. (There is no liability for any fees if your exam is free.) Please contact customer service if you have questions about this policy.

Additional Information

In case of a failure to deliver the exam, Pearson VUE will not be held responsible for expenses you incur beyond the cost of the exam, including but not limited to travel expenses and lost wages on the day of the exam. Pearson VUE's goal is to make your testing experience a pleasant one. We thank you for selecting Pearson VUE as your testing service provider, and look forward to serving you again. Please feel free to contact us with your comments or questions.
